Carnival Glory

Carnival Glory - Ship Description

Carnival Glory is a 2004 addition to an exciting style of "Fun Ships"--the Conquest class. The ship's revolutionary design means that 80 percent of the staterooms offer glorious ocean views; and of those, 80 percent have private balconies. Plus, with acres of teak deck space, you'll find the ideal spot to enjoy the fresh sea air and soothing sunshine.

Onboard, you can wake up to a new day with an energizing workout in the state-of-the-art gym. Or go for an invigorating run on the outdoor jogging track. Ask the ship's personal trainers to plan an exercise program for you. Or skip the workout and hit the deck. You can also relax in the spa with a massage, steam, or beauty treatment. And kids are sure to love the fun atmosphere of the award-winning Camp Carnival program.

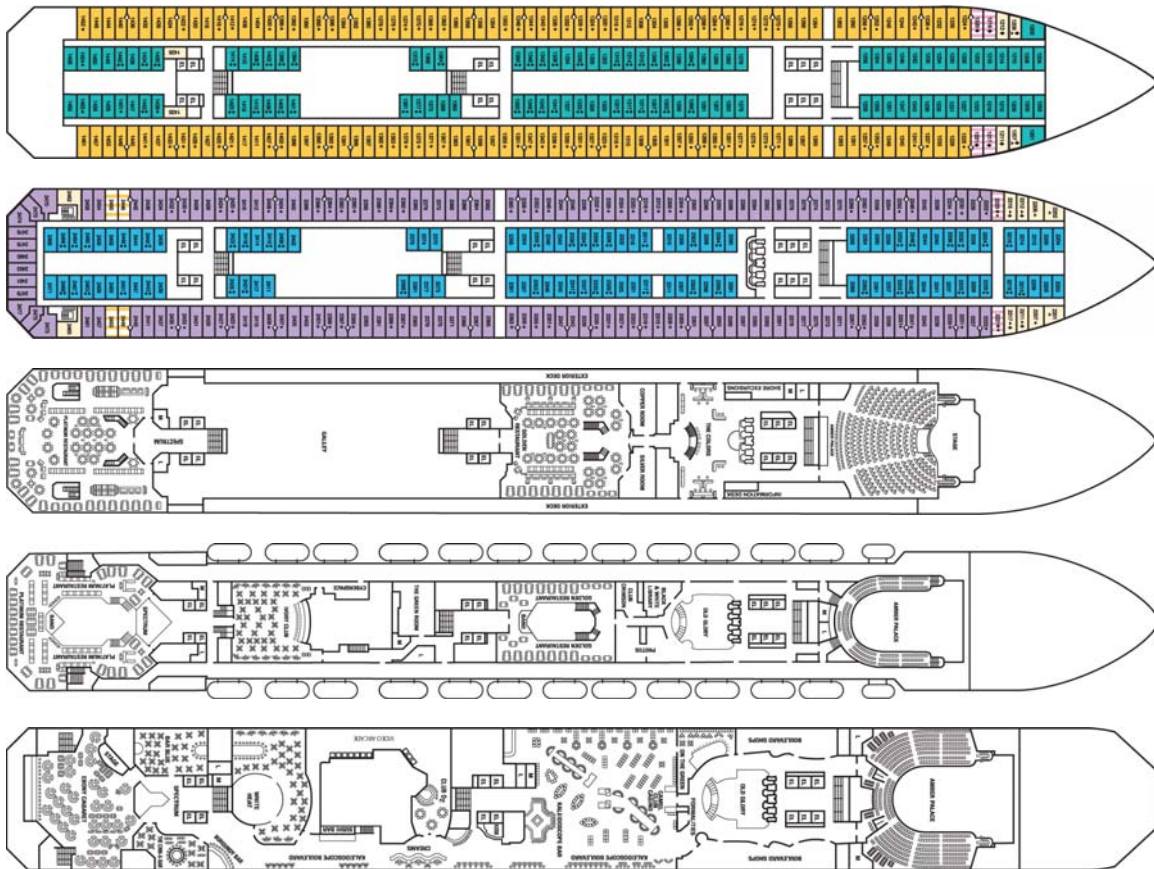

After a full day of fun, enjoy an elegant meal in the Empire Restaurant or relax with casual dinner in La Playa Grille. You may even want to celebrate a special night out in the intimate Nouveau Supper Club. As part of the spa program, the ship also offers dishes that are low in calories, fat, sodium, and cholesterol.

For nighttime entertainment, Carnival Glory brings a bit of Vegas to the sea--catch a spectacular show in Pharaoh's Palace. Or visit the 22 bars and lounges throughout the ship, including the sing-along Shanghai Piano Bar, the jazzy Club Cool, and the sports fan's favorite, the Champion's Bar. Feeling lucky? You might win big at Louis XIV Casino, one of the largest at sea. Dancers will love the club Dancin', where music plays into the wee hours.
