### Carnival Freedom - Ship Description

The exciting new Carnival Freedom represents the Conquest class of Fun Ships. The ship's revolutionary design means that 80 percent of the staterooms offer glorious ocean views; and of those, 80 percent have private balconies.

Wake up to a sunny new day with an energizing workout in the state-of-the-art gym. Or go for an invigorating run on the outdoor jogging track. Ask the ship's personal trainers to plan an exercise program for you. Or skip the workout and hit the deck. With acres of teak deck space, you'll find the ideal spot to enjoy the fresh sea air and soothing sunshine. You can also relax in the spa with a massage, steam, or beauty treatment. And kids are sure to love the fun atmosphere of the award-winning Camp Carnival program.

After a full day of fun, enjoy an elegant meal in one of the main dining rooms or relax with a casual dinner in one of the many options onboard. You may even want to celebrate a special night out in the intimate supper club. As part of the spa program, the ship also offers dishes that are low in calories, fat, sodium, and cholesterol.

For nighttime entertainment, the Carnival Freedom brings a bit of Vegas to the sea in the casino and in the theatre. Or visit the 22 bars and lounges throughout the ship, including the sing-along piano bar, the jazzy wine bar, and the sports bar. Dancers will love the disco, where music plays into the wee hours.
